Immersion Case Study

Return of the Gold King (not as expected)

The high school teachers have scheduled four “experts” to discuss the Gold King incident with the students

Learning Target: Our objective with this study is to develop a more thorough understanding of the science and history of the Gold King effluent event and to develop critical thinking skills on a complex issue.

Hello Steve

Attached is our most recent version of our plan to introduce students to the issue

I'll call tomorrow or Wednesday to make sure we are still a go

Thanks for your willingness to meet with our students
